

Home visiting service

Our home visiting service provides companionship for home-based clients with cancer. Our home visitors are trusted companions who have been police vetted.

Our home visitors can:

- **Provide companionship**
- **Go for a drive or walk**
- **Help with a variety of practical tasks, e.g return books to library, post mail**

Our home visitors are not expected to complete cleaning or personal care services.

Contact us to sign-up or learn more about our services by contacting our Volunteer Coordinator Victoria Sharp at:
