Let's do something remarkable together!

Relay for Life is an inspiring community event that gives everyone a chance to celebrate cancer survivors and carers; remember loved ones lost to cancer and fight back by raising awareness and funds for the cancer society.

Celebration Lap

Relay For Life starts with a Celebration Lap, lead by people who currently have or previously had cancer, and people who have supported or are currently supporting someone on their cancer journey. These are the people we relay for.

The support people could be children, spouses, friends, or whānau of people affected by cancer. We recognise that these people play an important part of an individual or whānau's cancer journey and want them to be part of our Celebration Lap.

Set up

12AM – 2PM – TEAM SET UP

- On Saturday between 10am–2pm you can head down to A&P Showgrounds and set up your site.
- Enter at main Gate @ Richmond city end – one of our volunteers will meet you at the gate and direct you where to go to enter the centre of the race track.
- Team Check In – you will then come across a gazebo with team members ready to check you in. They will give you a site map, confirm where your team site is, give you your team pack with event info, and your event relay baton (don't lose this).
